

FAST FACTS 2025

Pace envisions a world where all girls and young women are safe, have economic security and an opportunity to use their voice in shaping their future.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

IN HER WORDS

NAILAH

“ I came to Pace when I was 15 because I was having a hard time at school. Pace has made me a more open-minded person. Pace has also taught me that you don’t know what someone has been through. The girls here don’t carry it on their backs. Pace is very welcoming and open. Honestly, I like Pace! It was a good choice for me to come here, not just academically, but to learn how to deal with people, how to avoid certain situations - just life lessons that I needed.”
