JORDAN

Enrolling in Pace was the best decision for me. Before Pace, I was skipping school every day and my grades were quickly going downhill. My mental health was getting worse, and I was very unmotivated. I wanted to drop out of school completely. My friend, who attended Pace, asked me to enroll. Since the first day I arrived, I have never been so motivated. The teachers and students are so welcoming. I have never been to a school that helps you with schoolwork but also helps you with yourself. Everyone here just wants you to succeed and celebrate your accomplishments. I now know what I want to do in my future and it's because of Pace. I am so thankful that I can experience the Pace girl life and create so many memories here!
