JUNIAHA

"When I first arrived at Pace my grades were not good. I have always had a nonchalant attitude and I didn't care about my grades or school in general, but with the help of my teachers and counselors, that changed. It never really occurred to me that my grades might stop me from graduating and once I realized that, all the teachers and staff did everything in their power to make sure I did what I was supposed to do. They encouraged me about getting my grades up, getting all my credits, and meeting my graduation requirements. I am proud to say, I met all my goals and qualified to graduate early."
