

FAST FACTS 2023

Pace envisions a world where all girls have POWER, in a JUST and EQUITABLE society.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

DOROTHY

My name is Dorothy, and I am 15. I came to Pace because my grades were bad at the school I was attending. After I was exposed to Covid I tried to complete assignments on my iPad, but it was a struggle, and I was unable to pass my classes. I came to Pace looking for a new opportunity. Pace has given me the skills that I needed to become a leader and to be a better student. I plan to go back to high school, go on to college and become a marine biologist.
