DARNISHA

I am so thankful for Pace. I enrolled because I was failing and needed to make up credits, but I got so much more than just credits. The staff really believed in me and helped me put my life back on track. During a Pace career fair, I met a recruiter for the military, I knew right away that I wanted to go into the Army. Pace helped me graduate a year early and I followed my dream and enlisted in the Army. Since joining the Army, I have had so many amazing experiences and lessons, traveling across the country, and even living in South Korea for a year. While in the Army, I will be attending nursing school. I am so thankful for the opportunities and support that I received at Pace.
