MISSION:
PACE PROVIDES GIRLS AND YOUNG WOMEN AN OPPORTUNITY FOR A BETTER FUTURE THROUGH EDUCATION, COUNSELING, TRAINING AND ADVOCACY.

Pace is one of the only gender-responsive, trauma-informed, and strengths-based models for girls in the country, with a proven evidence base. A 2018 third-party random control trial evaluation by research firm MDRC, found that **Pace nearly doubles the likelihood of girls being on track to graduate from high school** as compared to girls with the same risk factors who did not attend Pace.

Aziyah – Class Of 2020 – Pace Broward

Before coming to Pace Broward, I hated school. I struggled a lot with depression and had recently dropped out of 10th grade. Even when I started at Pace, I wasn’t a big fan of school. But all that changed in February of 2018 when I joined a dance group for a Black History Month performance. Next thing you know, I was center stage performing in front of people for almost every Pace performance. Thanks to my teachers and counselors, I was able to handle my depression and I started to focus on my grades. In July, I graduated as part of the Class of 2020 and now I’m pursuing a career in acting and modeling. Since graduation, my Reach therapist has been helping me stay on track with my goals. Thank you, Pace!
