COURTNEY

When Courtney first came to Pace, she spoke about the recent loss of her father to cancer, as well as the loss of her brother who was recently murdered. While Courtney and her mom struggled through their tears, Courtney continued to attend Pace. Through it all, they continued to support one another. Courtney is not only resilient but extremely responsible and communicates with us to let us know how she's doing. After being behind, due to missing so much school for her health and family issues, Courtney has officially completed her middle school requirements.
