

FAST FACTS 2023

Pace envisions a world where all girls have POWER, in a JUST and EQUITABLE society.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

JANAYA

I'm Janaya and I have been at Pace for two years. At first I was worried about being at an all-girls school. I was shy and didn't know how to talk to people, having been homeschooled since fifth grade. It took me some time to come out of my shell, but Pace really helped me. Pace has the most caring, supportive, funny, and loving staff. Even when I was at my lowest, Pace helped lift me up. I found myself here when I didn't know where to stand. Pace is like my second home, my second family.

To some Pace means a second chance, but to me Pace is a first chance. Often, the first chance some of these young ladies get to shine, thrive, be seen, to excel, and to set goals. For most, its the first time these young ladies believe in themselves enough to attain the exciting goals that Pace help them set for themselves. Pace is a place that turns trials into triumph, that challenges and encourages girls to take their sometimes troubled past and transform it into a promising future. I am honored to serve on the board at Pace Orange and to set the Pace for our community to empower these girls to excel.
