Pace envisions a world where all girls have POWER, in a JUST and EQUITABLE society.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

## ZHARIA

Zharia came to Pace with anxiety and depression and had trouble interacting socially. These challenges impacted her attendance. She shared that she did not feel well and, over time, began to seek support from her counselor and other staff members. As time passed, she began to use her voice, especially when sharing her love of designing, drawing, and painting. With consistent support, Zharia excelled and successfully graduated with the Class of 2022 and is currently studying graphic design at Broward College.
