MISSION:
PACE PROVIDES GIRLS AND YOUNG WOMEN AN OPPORTUNITY FOR A BETTER FUTURE THROUGH EDUCATION, COUNSELING, TRAINING AND ADVOCACY.

Pace is one of the only gender-responsive, trauma-informed, and strengths-based models for girls in the country, with a proven evidence base. A 2018 third-party random control trial evaluation by research firm MDRC, found that Pace nearly doubles the likelihood of girls being on track to graduate from high school as compared to girls with the same risk factors who did not attend Pace.

When I first started at Pace I had social anxiety. At times, this fear was paralyzing for me. Pace helped me grow in many ways, such as being comfortable with myself and finding my voice. Recently, I spoke at a local delegation hearing and met with state legislatures at Pace Day at the Capitol – this would not have been possible before Pace. At Pace, I have learned how important it is for me to use my voice.
