MISSION:
PACE PROVIDES GIRLS AND YOUNG WOMEN AN OPPORTUNITY FOR A BETTER FUTURE THROUGH EDUCATION, COUNSELING, TRAINING AND ADVOCACY.

Pace is one of the only gender-responsive, trauma-informed, and strengths-based models for girls in the country, with a proven evidence base. A 2018 third-party random control trial evaluation by research firm MDRC, found that Pace nearly doubles the likelihood of girls being on track to graduate from high school as compared to girls with the same risk factors who did not attend Pace.

FAST FACTS 2021
Pace envisions a world where all girls and young women have Power, in a Just and Equitable society.

Ronniya – Pace Miami
I just felt better when I was at Pace. I’ve grown and changed my behavior, my attitude, and even the way I learn. I learned to ignore all negative things in my life, to just stay in my own lane and not care what other people think. Pace Miami helped me find myself again. I would like to thank my counselor for taking the time to talk to me, giving me new life lessons and bringing my spirits back up. I would also like to thank my parents for enrolling me in Pace Miami and staying by my side during the difficult times. All of these people helped me graduate high school.
