McKenzie

"Before coming to Pace, I was going through a very difficult time, and I was very depressed. I was sleeping in all of my classes, and I was failing all my classes. Pace provided me with strong role models and helped me to learn coping skills and social skills. During my time at Pace, I also became a role model for my younger peers. I would encourage them to do better in class and with their social skills. In Spring 2022, I will be enrolling in Daytona State College and will be going into Early Childhood Care and Development. I hope to be a Preschool Teacher."
