JAY

"I started Pace Polk in January 2020. Before coming to Pace, I struggled with controlling my emotions and communicating with others, which caused me to stress out. Since I have been at Pace, my grades have improved to A's and B's. I discovered my value and how powerful it is to be a woman. I enjoy the smaller classes, the learning environment, and having the opportunity to talk to my counselor at any time. After high school, I want to go into the medical field or become a teacher. I want to help others to become the best version of themselves."
