IN HER WORDS

DESIREE

“ Pace Center for Girls has helped me grow academically and personally. Before attending Pace, I struggled with lack of motivation, anxiety and poor grades. At first, I was nervous but with the supportive environment; it has helped me gain more confidence and step out of my comfort zone. I was introduced to public speaking even though I've always refused to do so. Pace has helped me open my eyes and try new things. I am forever grateful for being surrounded by positive and an uplifting program.”
