TERRA

When Terra’s father suggested Pace Marion, she was afraid she wouldn’t know anyone and didn’t want to attend. But once at Pace, she quickly met new friends, some who had similar background experiences to hers. “It made me feel better that other girls had been through the same things I had, and I didn’t feel so alone anymore.” Terra is now a student leader, often helping other girls learn to acclimate when they first start attending Pace. She definitely creates new partnerships on a regular basis, and was named Student of the Month for August 2021.
