KATIE

“When I started at Pace, I was unaware of my worth, but now that I am a graduate, Pace has helped me see that I matter. I’d never seen a school care that much about its students. Pace is all about the girls, and as a former Pace girl, I can proudly say that I had a great experience. Seeing other girls be brave and open to growth showed me that I, too, could embrace growth and change. Pace helped me find my voice, and now I have a say in my life and have rewritten the narrative of my story! Thank you, Pace, for investing in my life and future and making me feel loved and valued.”

“ Being on the Pace Board is a privilege and a treat. When a new girl comes aboard it's generally a rough time for her and the staff. But after she has been here for a short while, it becomes like the time-lapse photography of a flower blossoming in 30 seconds as they become what we all hope they will be. I can't think of a better feeling.
