Pace Center for Girls, Inc., a not-for-profit corporation ("Pace"), issued an Invitation to Negotiate ("ITN") on August 18, 2022, to solicit competitive responses from qualified vendors interested in providing a Contract Lifecycle Management System (CLMS). The new system was to address our company's contract lifecycle management system needs including an integrated electronic signature system as well as providing professional and data migration services to assist in the implementation process for the CLMS.

Pace is hereby announcing its award to the following vendor:

The vendor listed above received the evaluation committee's highest ranking. Pace will be contacting the aforementioned vendor soon to negotiate a contract. As stated in the ITN, this notice of award is subject to execution of a written contract, and as such, this notice does not constitute a formation of a contract between Pace and Dock 365.
