HAZEL

Hazel quickly became a leader on the Pace campus. She came to Pace every day with a smile on her face, ready to tackle new challenges in the classroom. Before Pace, Hazel shared she was stuck in a bad environment, surrounded by the wrong crowd. Plagued by peer pressure, facing suspensions, and worried she wouldn't graduate high school, she struggled to find her light at the end of the tunnel. At Pace, she found her footing... and her worth. Now, she uses her voice to help others in her community and served on the Girls Leadership Council. Hazel's grades improved dramatically and she successfully graduated high school. She is currently taking classes to fulfill her dream of becoming a pediatrician.
