MISSION:
PACE PROVIDES GIRLS AND YOUNG WOMEN AN OPPORTUNITY FOR A BETTER FUTURE THROUGH EDUCATION, COUNSELING, TRAINING AND ADVOCACY.

Pace is one of the only gender-responsive, trauma-informed, and strengths-based models for girls in the country, with a proven evidence base. A 2018 third-party random control trial evaluation by research firm MDRC, found that Pace nearly doubles the likelihood of girls being on track to graduate from high school as compared to girls with the same risk factors who did not attend Pace.

Desiree – Pace Pinellas

At night women would go home marching for their rights to vote as they chant their sayings, so everyone knows that they won’t give up until they get their rights. There is region of equality spreading through the night as they sleep and wake up for the next day to happen as clouds start to appear and hide the sun on the darkest day. They will not rest until they finally get their rights and as days turns into nights, men start to wonder what their wives were thinking in their sleep when they were away for war. This is night to remember as women keep marching for theirs rights.
