IN HER WORDS

MADINAH

The team at Pace Palm Beach helped me grow as a student and a person. When I came to Pace, I was anxious and nervous about starting school again. I hadn't been in a regular school setting since COVID. I had social anxiety and I wasn't motivated to do my schoolwork. I felt like I didn't fit in with most people and I was unable to connect with others in conversations. At Pace, I learned the skills needed to be successful and I now have the courage to do things I always hoped I could do, like building healthy relationships, creating boundaries, and developing the ability to express my emotions. I also learned coping skills to handle stressful situations. I truly enjoy the atmosphere at Pace Palm Beach and appreciate the safety and inclusiveness that Pace provides."

My passion for providing a strong foundation of education and opportunities for young women directly aligns with Pace's work. It can be so challenging to grow up in today's world. I am thrilled to be part of Pace Palm Beach, an organization that provides not only academics but emotional intelligence, life skills training, career preparation, and more."
