MISSION:
PACE PROVIDES GIRLS AND YOUNG WOMEN AN OPPORTUNITY FOR A BETTER FUTURE THROUGH EDUCATION, COUNSELING, TRAINING AND ADVOCACY.

Pace is one of the only gender-responsive, trauma-informed, and strengths-based models for girls in the country, with a proven evidence base. A 2018 third-party random control trial evaluation by research firm MDRC, found that Pace nearly doubles the likelihood of girls being on track to graduate from high school as compared to girls with the same risk factors who did not attend Pace.

Kenya – Pace Marion
I transferred to Pace when I was expelled from high school. Pace made me feel welcome. I have Eczema and never wanted anybody to know, I would cover myself up. Pace is the reason I’m more confident in my skin. I was ashamed, but now I embrace it, because there are many other girls out there with the same condition. I want to be the one that tells them they are beautiful. I am proud to be a member of the Statewide Girls Leadership Council.
