

# FAST FACTS 2025

Pace envisions a world where all girls and young women are safe, have economic security and an opportunity to use their voice in shaping their future.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

## IN HER WORDS

### LILYANA

“ Pace has helped me to find out who I really am and where I want to go moving forward. Before Pace I was following the wrong crowds, thinking it was okay and fun. I realize now how much I want my future to be secured. I know patience is the key - even if you want to take a shortcut, it is better to do it the right way so you don't have to go back and learn again. When I was younger, I always dreamed of making music, now, I want to be an RN or CNA. I now know that I can still do music as well as work on a career. In five years, I hope to be close to finishing college and working towards being an RN.”
