

FAST FACTS 2025

Pace envisions a world where all girls and young women are safe, have economic security and an opportunity to use their voice in shaping their future.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

IN HER WORDS

RYLEIGH

“ My name is Ryleigh, I am 14 years old, and I have been attending Pace for a year and a half. Pace has helped me more times than I can count, and I am so grateful for this school. Before Pace, I was bullied for my disabilities, and I became very guarded to protect myself from being hurt again. Pace showed me the love and care I never had at school. The staff helped me with my grades and attendance and helped me get out of the protective bubble I kept myself in. I never expected the care I’ve gotten from Pace so it was unsettling at first, but I have grown to trust them and show them my care in return.”

Day Program

Pace's Day Program provides year-round academics, counseling, life skills, and career preparation for middle and high school girls, with individualized plans tailored to each girl's strengths, experiences, and needs.
