MISSION:
PACE PROVIDES GIRLS AND YOUNG WOMEN AN OPPORTUNITY FOR A BETTER FUTURE THROUGH EDUCATION, COUNSELING, TRAINING AND ADVOCACY.

Pace is one of the only gender-responsive, trauma-informed, and strengths-based models for girls in the country, with a proven evidence base. A 2018 third-party random control trial evaluation by research firm MDRC, found that **Pace nearly doubles the likelihood of girls being on track to graduate from high school** as compared to girls with the same risk factors who did not attend Pace.

Shanterika – Pace Alachua

I was broken when I came to Pace. At twelve, I became responsible for taking care of my siblings, my mother, who had health issues, and an abusive stepdad. It was hard!

Pace saved my life. At Pace, I received the mental health counseling I needed to move beyond my trauma and heal along with the academic support to catch up in school. I graduated early and am headed to college with scholarships!
