

FAST FACTS 2026

Pace envisions a world where all girls and young women are safe, have economic security and an opportunity to use their voice in shaping their future.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

IN HER WORDS

ROSALIE

My time at Pace was the best schooling I have received. The staff were so accepting and accommodating with my needs. Things were hectic when I applied, but they were able to get me in right away. When I met the staff for the first time, most already knew my name; it made me feel seen. When I first arrived, I was really nervous, but the staff and other girls greeted me immediately. Even now after I've graduated, when I go back to visit every staff member and all the girls are happy to see me. They genuinely care about me."

FROM OUR COMMUNITY

I proudly support the Pace Center for Girls both personally and professionally because of the direct impact Pace has on our local community. Pace offers a safe and supportive environment for young women in Alachua County helping them thrive academically and socially. Pace has a track record of proven success including improved academic performance and low recidivism rates. An investment in Pace is an investment in a young woman that could positively impact our local community for generations to come.
