## CHRISTINA

"I came to Pace from Leon High School; it was a rough time for me overall. I have older parents which meant older siblings growing up alone having to depend on friends and few family members. My experience at Pace was a roller coaster with the battle within myself, but I've overcome that battle. I'm at a new high school trying to achieve my goals. After high school I am planning to attend to Tallahassee Community College for the TCC to FAMU program. I want to be a CEO and be successful in life. I thank the Pace Leon staff so much for everything they helped me achieve."
