MISSION:
PACE PROVIDES GIRLS AND YOUNG WOMEN AN OPPORTUNITY FOR A BETTER FUTURE THROUGH EDUCATION, COUNSELING, TRAINING AND ADVOCACY.

Pace is one of the only gender-responsive, trauma-informed, and strengths-based models for girls in the country, with a proven evidence base. A 2018 third-party random control trial evaluation by research firm MDRC, found that Pace nearly doubles the likelihood of girls being on track to graduate from high school as compared to girls with the same risk factors who did not attend Pace.

Taia – Treasure Coast
Taia B came to Pace in July 2019 after being unsuccessful with home school. She was 17 years old and just entering the 9th grade. From the moment Taia walked through the doors she was engaged in her learning and committed to investing in her future. She met with the Academic Manager to set up a personalized plan so that she could meet her academic goals monthly. With hard work and dedication, she was able to complete 4 years of her academic career in 9 months and graduated this past May 2020 with a 4.0 GPA.

Taia is working full time and is now a student at Indian River State College with a goal of becoming a Professional Midwife.
